The Harley Davidson Museum is located in one of the City's most interesting locations, jutting out between the Menomonee River and Menomonee Canal. Beautifully landscaped, this loop leads us around to the Sixth Street Bridge and the loop of the Hank Aaron State Trail that will take us to the city's development focusing on water related businesses. Melissa Cook, Trail Manager, will guide the walk along the waterway, the innovative stormwater manager bioswales, and the creative features of the development. Event will take place rain or shine.

COST: \$2 Residents or Non-Residents and includes a Hank Aaron State Trail Themed Gift
